NOTICE

ENTREPRENEURSHIP CELL (E-CELL) 2022-23

The Entrepreneurship Cell (E-Cell) at Xavier Institute of Engineering is created with the aim of supporting students in their entrepreneurial ventures by providing resources, innovative programs and opportunities to connect with mentors and investors. It is a club, run by students and faculty and driven by the management of the institute.

The E-Cell conducts several activities such as entrepreneurship awareness workshops, interaction with successful entrepreneurs and business idea competitions in order to cultivate the required skill set among the students.

The E-Cell also promotes an innovative mindset among the students forcing them to think out of the box to solve real-world problems.
