

# E-CELL XIE

To Principal and Authority,

August 23rd, 2019

Dear Principal,

I, Dhruva Mahajan, Co-secretary of Ecell along with my team have planned to host an event "Talks at Ecell" on 29th of August, 2019. The event is scheduled at 2.30 and will be 45 minute session. The speaker who is going to give the talk is Mr. Kushal Bhagia, who is a Venture Capitalist and CEO at Firstcheque, an early stage venture capital firm. The session is based on grounds of what Entrepreneurship is for young minds and how to set foot in today's market.

↓  
3.30 PM  
to  
3.30 PM.

The session has no registration fee and the speaker will not be negotiating over any deal with college, or selling anything to students. It is purely for the benefit of students and the speaker is doing it on a pro bono basis. The session will be concluded with a Q&A session. We shall be filming the session and it shall be up on youtube for anyone to see or examine its contents.

We would be extremely grateful if you could allot us the Seminar Hall (2nd floor) for a duration of 1 hour 30 minutes from 2pm-3.30pm. We would require the use of sound system, projector and a wireless mic for the speaker.

3-3 PM  
to  
3.30 PM  
(no classes to be cancelled)

About the Speaker: Mr. Kushal Bhagia, is Venture Capitalist and CEO of Firstcheque. His alma mater is BITS (Birla Institute of Technology) and provides free entrepreneurial seminars for general awareness.

Talks @ E Cell vol. 1

DATE: 29/08/2019

## Description of Event:

In the first edition of talks at E cell, Mr. Kushal Bhagia, entrepreneur and venture capitalist, talked about entrepreneurship, early stage fund raising and the world of venture capital. He also gave valuable advice and answered questions from the audience.

Our guest and speaker, Mr. Kushal Bhagia took on the stage with high volumes of self development. Mr. Kushal Bhagia has alma mater from BITS Pilani. Currently a Venture Capitalist and CEO at Firstcheque company.

He had his talk on how self development and ideas are roots to starting up something in the market and plotted and discussed different hurdles and highs in the entrepreneurial world.

Student Feedback and Benefits: Overwhelmingly positive. The students learned about startups, the stages of starting a new company, rising funding and had their doubts cleared.
